

Circus Seat © Design by Fletcher Vaughan

Designed as wait seating and constructed to withstand the rigors of high usage environments such as malls, airports, galleries, foyers, universities and public spaces. The design not only has a sculptural aesthetic, but also maximizes seating for up to 5 people.

NOTE:

- Fabric with a linear stripe or pattern is not suitable for this design.
- For best upholstery results use a wool fabric.

Fabric Recommendations:

Vivid – Feel, Calibre

Textilia – Blazer, Synergy, Centennial

Warwick – Augustus, Dolly

Due to the nature of upholstery measurements may vary marginally.
CAD file available on request.
