

Field Seating © Design by Fletcher Vaughan

Field has playful mid-century aesthetic and consists of 2 common base sizes; these platforms can be configured with a number of seating elements, chairs, sofas and ottomans. These modules can then be individually arranged or grouped to provide numerous seating solutions for office breakout, reception, foyer wait and collaborative seating.

NOTE:

- Most crypton fabrics are not suitable for this design.
- For best upholstery results use a wool fabric.

Fabric Recommendations:

Vivid – Feel, Calibre

Textilia – Blazer, Synergy, Centennial

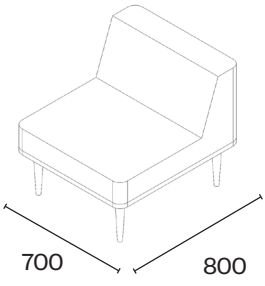

Warwick – Augustus, Dolly

Due to the nature of upholstery measurements may vary marginally.
CAD files available on request.
