

Portrait Modular Seating © Design by Fletcher Vaughan

Originally designed for the Tokyo Designers Block Exhibition 2002.

The range consists of one A & B module, plus a double and single size ottoman. These modules can be placed individually or grouped together to create sculptural public seating. Suitable for high traffic environments such as malls, airports, foyers, galleries and education.

NOTE: For best upholstery results use a plain wool fabric.

Fabric Recommendations:

Vivid – Feel, Calibre

Textilia – Blazer, Synergy, Centennial

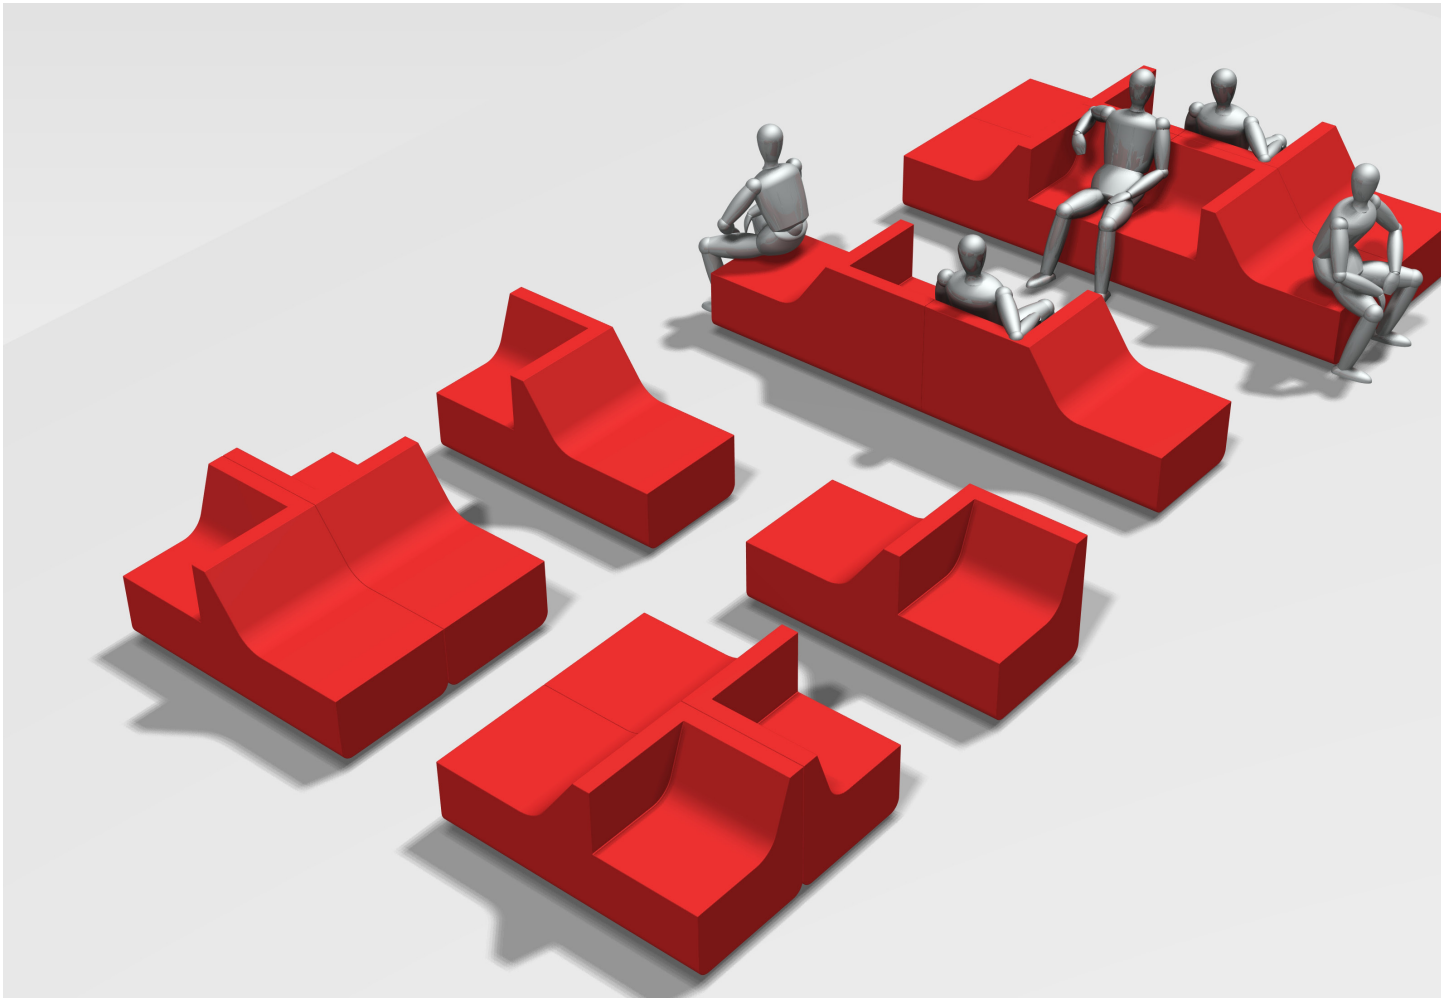

Warwick – Augustus, Dolly

Due to the nature of upholstery measurements may vary marginally.
CAD file available on request.
