

Why © Design by Fletcher Vaughan

The Why modular ottomans can be used as stand alone seats or grouped together. Constructed with a sturdy frame and high quality foams, Why makes an ideal high traffic public seating system for malls, airports, foyers and galleries.

NOTE:

- For best upholstery results use a plain wool fabric.
- Fabric with a linear stripe or pattern is not suitable for this design.

Fabric Recommendations:

Vivid - Feel, Calibre

Textilia - Blazer, Synergy, Centennial

Warwick - Augustus, Dolly

Due to the nature of upholstery measurements may vary marginally.
