MONACO DESKING

Originally intended as exclusive desking for the Fletcher Design team, we've decided after so much positive feedback to release Monaco to the world. Bearing the signature sculptural characteristics of the Fletcher Design collection, Monaco's hand-finished solid ash frame is soft and welcoming; its inset Linoleum top gentle to the touch; the matte finish reducing unwelcome glare. These elements combine to create a pleasing tactility absent from the average mass-produced workstation.

Designer
Fletcher Vaughan
2022

Dimensions
2100L x 900W x 730H
1460L x 900W x 730H

Standard Lead-time
4 / 6 weeks from order.

Aotearoa Design & Made

Features
